

UNDER ARMOUR

ArmourVent Polo \$59.99

The UA performance polo with an updated design, also available in both Real Tree and Mossy Oak New Break-Up camo patterns. Technological updates include an anti-pick, anti-pill microfiber pique fabric that's been treated with moisture transport and temperature regulation. www.underarmour.com

SAGE

Skagit River Softshell Jacket \$299

This four-way stretch, waterproof, breathable jacket features fully taped seams, watertight cuffs, adjustable hood, and an expandable fly box pocket with hand warmers. www.sageflyfish.com

WILLIAM JOSEPH

Runoff (\$169) and Squall (\$199) Jackets

With several new models of outerwear, William Joseph is set to take 2007 by storm, offering new super-lightweight, high-performance fabrics, new colors and in several cases, new design technology. Highlights include Run Off and Squall Jackets, a pair of waterproof, breathable options for anglers looking to push the margins of Alaska's trout season. www.williamjoseph.net

MCNETT CORPORATION

ReviveX Spray-on Water Repellent for Soft Shells 10 oz. \$11.99

This odor-free water repellent was designed specifically for today's soft-shell outerwear and will keep you dry and comfortable without forcing you to run to the rain jacket. www.mcnett.com

REDINGTON

Skeena River Softshell Jacket \$150

Constructed of RedStorm two-way stretch material that is bonded to fleece, this jacket is highly water repellent and makes an ideal layering piece or external shell. www.redington.com

PATAGONIA

Men's and Women's Capilene 1 through 4 (bottoms and tops) \$36-\$75
Men's and Women's Wool 2, 3 and 4 (bottoms and tops) \$82-\$125

Over 20 years ago, Patagonia introduced layering for the outdoors and they've set the standard for baselayer performance since then. Now they're attempting to redefine those standards with two new approaches to the single goal of staying dry and warm: significantly improved Capilene polyester garments in four weights and an extraordinary new line of soft merino wool pieces in three fabrics. www.patagonia.com

CLOUDVEIL

Men's and Women's Zorro LT Jacket \$125
Utilizing Cloudburst 2.0 fabric, the Zorro LT features a stash-away hood and extreme elements protection, while weighing in at just 12 ounces. www.cloudveilfishing.com

DAHLGREN

Women's Expedition Socks \$20

Dahlgren's patented construction uses independent zones to absorb and transfer moisture in these new socks, which also provide advanced warmth and blister resistance. www.dahlgrenfootwear.com
